The Quay. Bridlington is a picturesque and popular seaside resort on the Yorkshire coast nestling under the shelter of Flamborough Head. It possesses excellent sands and good bathing, a fine pier, and a small harbour which has, in spite of its size, in its time played a considerable part in history.

Thank you very much for your letter. We are delighted to hear that you have found a nice flat & that you like it. We hope you will be very happy there & that the children will enjoy the change. We are very busy at present & have had a lot of people staying with us. We hope to see you when you come back to Town. With kind regards from us all, Yours sincerely, Winifred Duncan
